

## Datasheet W5

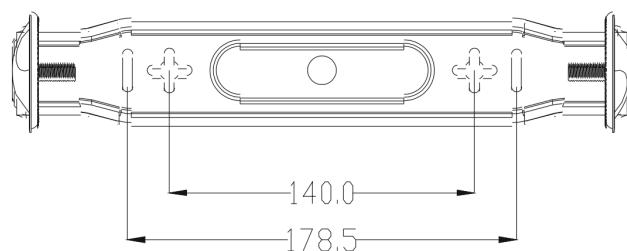

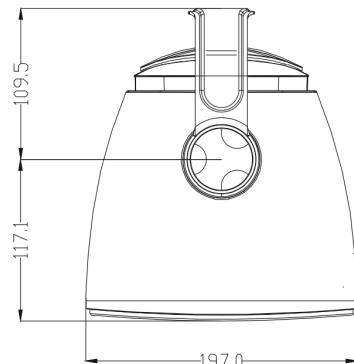

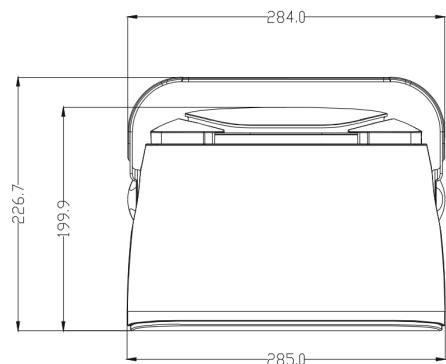

5.25-Inch 2-Way Water-Resistant Loudspeaker

The weather resistant wall mount loudspeaker *W5* combines the precision of the latest high-tech HiFi speakers with the dynamics of PA systems. This makes it perfectly comfortable in both indoor and outdoor applications. A timeless design, silky smooth highs coupled with a warm solid low-mid performance make it suitable for a wide range of applications where fidelity, dynamics and neutral reproduction of sound are a priority.
